

# BOELUBE®

Developed by the Boeing Company

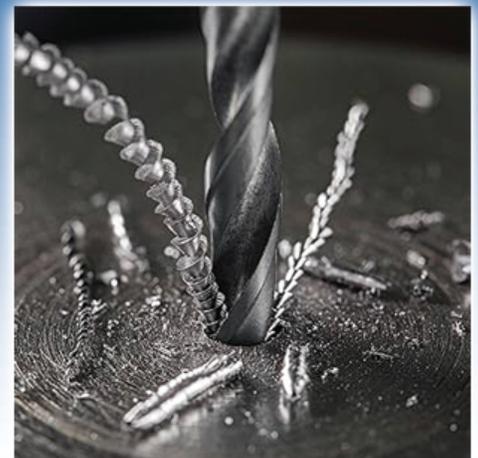

A small amount of Boelube, which is consumed in the metalworking process, will greatly improve tool life, surface finish and hole quality while minimizing heat generation and concurrent chip weld.

- Reduce friction with minimal clean-up
- Non-corrosive, non-flammable, non-toxic
- Indefinite shelf life!

Part# /OLB-70307-12  
/OLB-70307-2

“A small amount of Boelube is all you need.”
